 SENIORS LIVING HAPPY, HEALTHY LIVES

## Dear Friends,

On February 15, 2024, Nassau County Council on Aging officially celebrated 50 years of serving local seniors. We've certainly come a long way.

Throughout the decades, we have seen our share of ups and downs. The result? We have grown stronger, more resilient. More seniors depend on us as the "go-to" source to help family, friends and neighbors age well.

Our programs and services have evolved: "How can we help?" became CHORE small home repair, the Care-a-Van is now NassauTRANSIT and standalone classes in church basements are now lifelong learning opportunities in busy senior life centers.

We've changed with the times, but have always kept our mission close at heart. Be assured that's our focus for the next 50 years...and beyond.
