NCCOA Annual Report 2024

Ready for the next 50 years

Dear Friends,

Now in our 51st year, we continue to be laser focused in providing critical programs and services to Nassau County seniors.

As the longest-serving nonprofit agency in Nassau County, we cannot rest on our laurels. Too many deserving seniors count on us for nutrition, home health, day programs, lifelong learning, socialization and caregiver services. Without these important offerings, many seniors would be placed in assisted living facilities and removed from the mainstream of life.

“Aging in place” is the primary goal for the majority of seniors. Being able to remain in your own home, with the assistance of NCCOA-provided programs and services is a lifelong aim. Let’s work together to make that dream a reality.
